PRÉSENTATION

I am a artist specialised in textures, I have more than 20 years of experience in this field. I have been passionnated of the visual arts from a young age. I am recognized for my creative spirit and my sens of esthetism. Giving me a task, it's being sure that it's gonna be taken care in time with a close folow-up. I take care of the tasks until the end and I always make sure of full satisfaction. I have a natural leadership and I never forget to highlights the good work of my colleagues. I have a good sens of humour and a contagious energy. I like to learn and transmit, I work in team and I never forget anyone behind.
